	DOCUMENT NAME INTRODUCTION AND AUTHORITY	REVISION NO. 0
		EFFECTIVITY DATE FEBRUARY 1, 2020
		PAGE NO. 1 of 2

This Finance and Administration Manual (FAM) is authorized for use in Philippine Science High School (PSHS). It is prepared for the purpose of defining the institution's policies and procedures on budgeting, accounting, cashiering, human resources, property and supply, general services, and compliance to good governance and government requirements. It is established in line with the institution's objectives and commitment to total customer satisfaction and quality education.

Compliance to the provisions of this FAM and reference procedures cited herein is mandatory. This manual shall serve as a guide to the regular performance of our activities and to the continuous improvement of our products and services.

It is intended for office and academic use, and serves all PSHS' management, teaching and non-teaching employees, as well as assessors from an independent quality certification body.

1. DISTRIBUTION

This manual is confidential and proprietary to PSHS. The holders of controlled copies of this manual are responsible for its updating as new revisions are issued, and ensuring that it is readily available to other office personnel, if required.

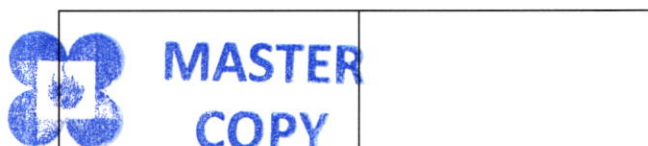

The copy holders of this manual are documented in the Document Approval and Distribution Matrix.

Uncontrolled copies may be provided to individuals as deemed appropriate by the Quality Management Representative (QMR) of PSHS.

ACCOUNTABILITY

Controlled copies of this manual are considered accountable items. Holders of the controlled copies shall be required to surrender their copies to the Quality Management System Office (QMSO) upon their resignation or retirement from the institution.

This manual may be reproduced for other PSHS Management and employees or outside parties upon approval of the QMR. All reproduction shall be considered uncontrolled copies. Employees issuing uncontrolled copies of this manual shall

be held accountable for their use (See QM 13.1, "Control of Documented Information").

2. MAINTENANCE AND CHANGE CONTROL (REVISION)

The QMSO shall be the sole issuer of the authorized revision to this manual. It shall provide recipients of the controlled copies of this manual with amendments or any updates.

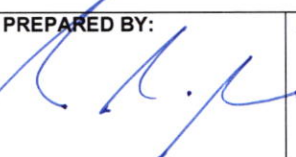

The recipients of the manual shall not put hand-written notes on the manual. This is to avoid misinterpretation by the reader.

Only the controlled copies shall be considered as latest official version. Amendments or updates to the manual shall be provided to the recipients of controlled copies. Latest revisions shall be recorded in the Table of Contents of this manual.

If there is a new version of the Finance and Administration Manual (FAM), the QMSO shall retrieve the controlled copies of the current version and replace these with the latest version. The QMSO shall be responsible for disposing superseded version of the controlled copies.

3. FEEDBACK

Any comments, suggestions, or questions regarding the Quality Management System and its documentation may be forwarded to the QMR. A Document Change Request Form available at the QMSO must be accomplished for every proposed revision and submitted to the QMR with supporting documentation (if any) for further review, evaluation and action.
