	DOCUMENT NAME INFORMATION TECHNOLOGY MANAGEMENT	REVISION NO. 3
		EFFECTIVITY DATE October 29, 2022
		PAGE NO. 1 of 9

1.0 OBJECTIVE

To provide clear direction to all employees including students regarding policies and procedures on the use of Information Technology (IT).

2.0 SCOPE

This section outlines policies, procedures, and proper use of information technology, and covers both PSHS scholars and employees.

3.0 POLICIES

3.1 Use of IT Equipment

3.1.1 PC, printers and other computer peripherals shall be turned off when leaving the office/ computer rooms except those areas requiring continuous operation of IT equipment (i.e. server room).

3.1.2 Computers shall always be shut down properly.

3.1.3 The authority and responsibility to install, upgrade or modify any hardware or software rests solely on the ISA.

3.1.4 The ISA shall be responsible for the daily updating of antivirus programs installed in the servers. The ISA shall periodically give advisories to users to keep them informed on the best practices to combat computer viruses. It is the responsibility of the user to keep his/ her antivirus program updated regularly.

3.1.5 Scratch papers shall be used when printing draft reports, e-mails, or other reports/ documents that are to be used for internal filing and/or checking purposes only.

3.1.6 PSHS issued laptops and gadgets shall:

- a. Be handled with utmost care, and used solely for academic/ official purposes,
- b. Not be used for personal, commercial and other purposes not related to the official school functions or duties;

VERSION NO. 2	MANUAL TITLE FINANCE AND ADMINISTRATION MANUAL	DOCUMENT NO. FAM 12.2
	DOCUMENT NAME INFORMATION TECHNOLOGY MANAGEMENT	REVISION NO. 3
		EFFECTIVITY DATE October 29, 2022
		PAGE NO. 2 of 9

- c. Only be used by PSHS Personnel/ Student to whom PSHS has officially assigned the laptop or gadget;
- d. Remain property of PSHS, and shall not be loaned, sold, or bartered, traded, leased, rented or given to anyone at any circumstances.

3.1.7 PSHS Personnel/ Student who were issued a laptop or gadget shall be responsible for:

- a. Its proper use in accordance with school guideline;
- b. Protecting his/ her username and password to prevent unauthorized use and data breach;
- c. Protecting and securing all data and information therein;
- d. Its daily surface maintenance and care, and report any problems and issues to it to the ISA.

3.1.8 Defective IT equipment should be reported immediately to the IT unit for action.

3.2 PSHS Email Privileges

3.2.1 PSHS grants e-mail accounts to its regular employees and students only, subject to the following conditions:

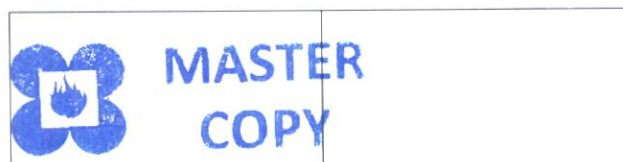

3.2.1.1 The user shall not use e-mail for purposes that are illegal, immoral and disallowed by PSHS.

3.2.1.2 The user is responsible in maintaining his/her e-mail files.

3.2.2 The ISA shall have the sole authority to create and issue an official email account to each PSHS regular employee and student. He/ she shall maintain an updated database of all official email accounts issued.

3.2.3 School email shall be used for academic and PSHS-related communications only.

3.2.4 The use of School email for personal, commercial, or religious purposes such as: Netflix, Shopee, Lazada, GCash, Spotify, Twitter, Instagram, Facebook, Public Fora, and others is strictly prohibited. Thus, the same cannot be used

VERSION NO. 2	MANUAL TITLE FINANCE AND ADMINISTRATION MANUAL	DOCUMENT NO. FAM 12.2
	DOCUMENT NAME INFORMATION TECHNOLOGY MANAGEMENT	REVISION NO. 3
		EFFECTIVITY DATE October 29, 2022
		PAGE NO. 3 of 9

to create accounts or to download applications from aforesaid websites in the internet.

3.2.5 Only official PSHS email accounts can be used to log-in to the PSHS Learning Management System.

3.2.6 PSHS personnel shall use PSHS email for official communication. Thus, the use of PSHS email for personal matters unrelated to any school activities/ projects, or to his/her official function and duty is strictly prohibited.

3.2.7 School email should not be used to forward spam mails, advertisement, fake news, and other content unrelated to school activities

3.2.8 It is understood that e-mail privileges shall be suspended/ terminated and the media containing the email files of the user shall be surrendered upon separation (graduation in the case of students), termination, resignation, retirement or other circumstances deemed legal by the PSHS, and subjected to clearance procedures.

3.2.9 Regular employees and students who transfer from one PSHS campus/ office to another shall inform the ISA of the former PSHS campus/ office to coordinate with the ISA of the new campus/ office for email migration.

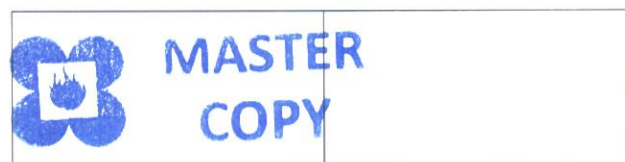

3.3 Use of Learning Management System (LMS)

3.3.1 The LMS shall be used for school sanctioned academic learning and related projects and activities. Needless to say, the LMS shall not be used for chatting, spreading rumors, personal communication, or used as outlet for complaints and grievances;

3.3.2 Users of LMS are required to observe professional conduct and courtesy when communicating through the system;

3.3.3 Hacking or unlawful accessing of data from the system is strictly prohibited, and shall be considered as a form of data breach;

3.3.4 Users are prohibited from sharing the contents of the LMS to third party(ies) without prior written permission from school

VERSION NO. 2	MANUAL TITLE FINANCE AND ADMINISTRATION MANUAL	DOCUMENT NO. FAM 12.2

		EFFECTIVITY DATE October 29, 2022
		PAGE NO. 4 of 9

authorities e.g. Executive Director, Campus Director, Systems Administrator, and Data Privacy Officer/ Controller.

3.3.5 If authority to share content of the LMS to third party(ies) is granted by competent school authority, the content to be shared shall be limited to the extent covered by the "authority" granted to the requestor in his/ her official capacity. Unless, expressly stated in the "authority" duly cleared by the DPO/ PIC it shall exclude personal information, sensitive personal information, privileged communication, and similar other data/ information restricted by the Data Privacy Act.

3.3.6 LMS users are only allowed to access, upload or modify contents of their respective account(s), subject to the conditions and restrictions of their assigned user privileges. Account owners shall be responsible for any unauthorized access or modification of contents to their account, regardless of the origin or location where the LMS was accessed. Thus, Account owners shall be responsible for safeguarding their usernames and passwords.

3.3.7 Proper referencing using APA, MLA, or other referencing convention shall be strictly observed when uploading materials that may be subject of copyright, including but not limited to materials obtained from open education resources.

3.3.8 LMS users are bound by Intellectual Property Rights Law (e.g. copyright, patent, etc.), Data Privacy Act, Cybercrime Act, and related regulations on the use of technology when using the LMS.

3.4 Authority to Install, Upgrade, and Delete

3.4.1 The authority and responsibility to install, upgrade or modify any hardware or software rests solely on the ISA.

3.5 Virus Prevention

3.5.1 The ISA is responsible for the daily updating of anti-virus programs installed in the servers. The ISA shall periodically give advisories to users to keep them informed in the best practices to combat viruses.

It is the responsibility of the user to keep his/her anti—virus program updated regularly.

3.6 Inventory and Maintenance

3.6.1 Inventory of IT Equipment and software shall be maintained by ISA.

3.6.2 ISA shall be responsible for the maintenance of IT equipment.

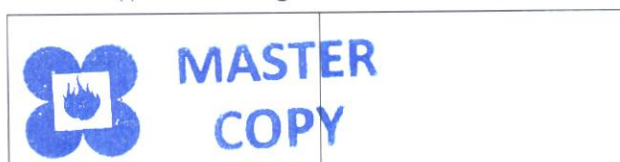

3.7 Penalties for Violation

PSHS Personnel/ Students who were found in violation of the above rules may be held accountable for appropriate administrative liabilities and sanctions under the PSHS Code of Conduct (for Scholars); and DOST A.O. No. 5 series of 2008, DOST A.O. No. 6 series of 2005, the Data Privacy Act, Cybercrime Law, and related issuances - for PSHS Personnel.
