1.0 OBJECTIVES

- 1.1 To ensure that all PSHS students have access to online learning instruction.
- 1.2 To lend out electronic devices to students to be used for academic purposes.

2.0 SCOPE

This process covers the mechanics and guidelines on how to borrow an electronic device from PSHS. This includes the contract of agreement between the school and the borrower of the device.

3.0 POLICIES

- 3.1 Device Lending Program is available to bonafide students currently enrolled at PSHS. Students without a gadget or limited capability to purchase new gadgets are qualified to borrow the device.
- 3.2 The campus decides on what devices may be borrowed by students. The device may include, but not limited to the following: laptop, tablet, mobile phone or similar ICT devices available at the campuses.
- 3.3 A Contract of Agreement, valid for the duration of the Academic Year, must be executed.
- 3.4 Upon perfecting the Contract of Agreement, the student, together with the parents, becomes the custodian of the device and shall be responsible for taking care of the device.
- 3.5 The borrower has the responsibility to replace the device with a comparable model, if the device is damaged or lost.
- 3.6 The use of the device shall be limited to academic purposes only and shall be guided by the existing PSHS Acceptable Use Policy for Remote / Blended Learning for Students.
