

VERSION NO. 2	MANUAL TITLE FINANCE AND ADMINISTRATION MANUAL	DOCUMENT NO. FAM 4.12
	DOCUMENT NAME EMPLOYEE HEALTH AND WELLNESS PROGRAM	REVISION NO. 0
		EFFECTIVITY DATE FEBRUARY 1, 2020
		PAGE NO. 1 of 6

1.0 OBJECTIVES

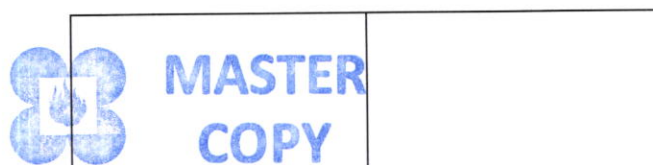

- 1.1 To improve, monitor and evaluate the state of personnel health through the provision of medical and physical examinations and various health care services.
- 1.2 To provide guidelines in implementing wellness programs (e.g. sports and fitness activities, health awareness seminars) with the purpose of promoting a healthy lifestyle and improving productivity and morale of the workforce.

2.0 SCOPE

This procedure applies to the health and wellness of all employees of the PSHS System.

3.0 POLICIES

- 3.1 The PSHS System is committed in maintaining and evaluating the health and general well-being of its personnel.
- 3.2 Employee Welfare and Service shall be a key component of the agency to provide for other benefits and services given to all employees not otherwise provided under laws of general application.
- 3.3 The provision for leave, retirement, insurance benefits, and other welfare services will conform with existing guidelines on the matter.
- 3.4 The PSHS System may formulate such other programs and policies as it may deem necessary to improve and update its Employee Welfare and Services.
- 3.5 In order to maintain a healthy and alert workforce, the PSHS System shall:
 - 3.5.1 Allot a reasonable time for regular physical fitness exercise;
 - 3.5.2 Include physical fitness exercise in seminar, training programs and similarly occasions;
 - 3.5.3 Adopt plans for a continuing physical fitness and sports activities.

3.6 Agency Health and Wellness Program shall serve as the framework for policy and program implementation that will address the health and general welfare of the agency workforce. Its main purpose is to increase employee well-being and organizational productivity. Health and wellness activities encourage employees to lead a healthy lifestyle. A healthy workforce improves overall performance and productivity which in turn leads to more efficient and responsive public service.

3.7 Health Services

3.7.1 The agency provides basic medical and dental services to all officials and employees. For this purpose, the Health Services Unit will continue to be responsible for overseeing the health needs and problems of personnel.

3.8 Medical/Dental Services

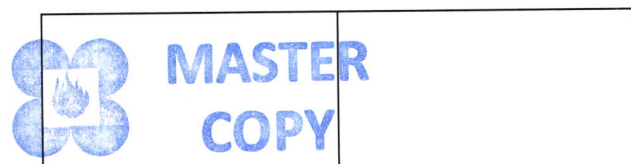

3.8.1 Basic medical services shall include provision for first aid, referrals to government hospitals, annual physical check-up, etc.

3.8.2 The Annual Medical Physical Examination is a mandatory tool to monitor the health status of personnel. The said personnel shall be required to undergo routine diagnostic, screening and other ancillary procedures to ensure early detection and adequate treatment of any illness.

3.8.3 When available, an annual dental examination shall be performed by the in-house dentists following the same schedule of respective offices. The dentists assigned shall schedule for possible treatment those with findings or pre-existing dental conditions.

3.8.4 The Human Resource Management Unit shall review the annual medical and dental results and notify the personnel with significant findings in order to monitor and address their health concerns.

3.8.5 Personnel with existing and documented illnesses (e.g. diabetes, hypertension) shall be recorded and regularly monitored by Health Services Unit in coordination with the Human Resource Management Unit. They shall be advised to undergo routine tests or examinations necessary in monitoring the status of their illness.

They shall also be provided with relevant information materials whenever needed.

3.8.6 The PSHS System shall also undertake optional diagnostic screening tests for those with pre-existing health problems (hypertension, diabetes, respiratory and urinary tract infection) and post relevant medical advisories as needed.

3.9 Sports and other Recreation Activities

3.9.1 An annual or series of monthly sports activity is sponsored by the agency for all officials and employees. This includes participation in inter-campus sports competitions and other year round fitness and recreational activities.

3.10 Social Activities

3.10.1 Conduct of social activities/programs to be sponsored by the different units/offices/divisions which vary in type or kind. As much as possible, such social activities shall encourage the participation of all employees.

3.11 Physical and Medical Examination for Newly Hired Employees

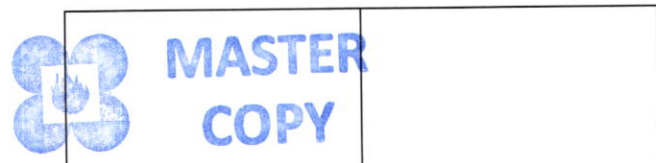

3.11.1 All newly hired employees shall undergo the mandatory physical and medical examination.

3.11.2 The newly hired employee shall undergo the prescribed set of procedures. He/she must submit the official results of the prescribed procedures within one (1) month from the date of appointment.

3.11.3 The physical examination, results of the laboratory procedures shall serve as the basis in determining if the newly hired employee is physically fit to work or not.

3.11.4 The examining Physician may request additional medical documents or clearances from specialists or sub-specialists as deemed necessary.

3.12 Wellness Programs

		PAGE NO. 4 of 6

3.12.1 Human Resource Management Unit shall facilitate the conduct of wellness programs that include physical fitness, sports, health-focused and recreational or interest-based activities.

3.12.2 Physical fitness and health awareness activities shall be designed in accordance with the health profile of the agency workforce. These activities shall focus on the various ways to address the most common or prevalent health problems among personnel as gathered from the annual medical and dental examinations results.

3.12.3 The Human Resource Management Unit shall coordinate and provide assistance to the Division Chiefs regarding the type of wellness programs suited for their respective personnel.

3.12.4 Counselling services shall be provided to personnel with problems that have a significant negative impact on work effectiveness and productivity. Services of external licensed counselors shall be acquired including the provision for prescribed psychological/personality tests for the counselee. All information gathered as well as the necessary test results shall be handled with confidentiality.

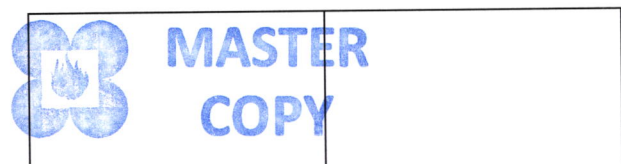

3.13 Evaluation of health condition and other leave applications. The following shall be evaluated by the Human Resource Management Unit:

3.13.1 Sick leave applications and other health-related leave applications (e.g., Rehabilitation Leave, Magna Carta of Women, Maternity or Paternity Leave).
