

VERSION NO. 2	MANUAL TITLE FINANCE AND ADMINISTRATION MANUAL	DOCUMENT NO. FAM 5.2
	DOCUMENT NAME REQUISITION AND ISSUANCE OF INVENTORY ITEMS AND PPE	REVISION NO. 0
		EFFECTIVITY DATE FEBRUARY 1, 2020
		PAGE NO. 1 of 5

1.0 OBJECTIVES

- 1.1 To provide an effective and efficient means of issuing requisitions and managing inventories and office supplies, and utilizing PPEs

To promote efficiency and convenience in satisfying the requirements or needs of offices/ personnel with respect to the use of inventory, office supplies and PPEs.

2.0 SCOPE

This procedure defines the activities and responsibilities of personnel involved in the Requisition and Issuance of Equipment and Supplies, from the requisition of goods up to the generation of Accounting records.

3.0 POLICIES

- 3.1 Unless otherwise amended or revised, Property, Plant and Equipment (PPE) is defined as "... *tangible assets that (a) are held by an enterprise for use in the production or supply of goods or services, for rental to others, or for administrative purposes; and (b) are expected to be used during more than one period*" pursuant to the New Government Accounting System.
- 3.2 The treatment for Property, Plant and Equipment (PPE) shall follow the applicable guidelines based on the Government Accounting Manual.
- 3.3 The issuance of supplies/materials/equipment shall be properly recorded and accounted for. The Storekeeper shall maintain stock cards and record the receipt and issuance of each class of item kept in stock.
- 3.4 The Storekeeper shall monitor the status of the stock on hand. He/ She shall post the quantity requested immediately upon withdrawal of the supplies/materials from the stock.
- 3.5 The Storekeeper shall maintain the Stock Cards for each class of articles kept in stock. All receipt and issuance of supplies, and the balance on hand shall be updated. The bases of recording the receipts and issuance shall be the Delivery Receipts (DR) and the RIS respectively. The Stock

Card shall serve as guide in preparing the estimates of the quantity and description of the articles needed for the year and serve as guards against overstocking of supplies and materials.

- 3.6 The accounting of issuance is not complete without the proper reconciliation of property and accounting records. Before the property/storekeeper records can be reconciled with the accounting records, the Supply and Property Management Unit shall see to it that the existing property/stocks records are reconciled with the actual inventory count.
- 3.7 The Storekeeper may at any time conduct a test count of his/ her stock to determine whether it tallies with the balance per Stock Cards. Any discrepancies should be noted for further investigation and reconciliation.
- 3.8 The Property Custodian shall maintain the Property Card.
