## 1.0 OBJECTIVE

To establish effective security measures to safeguard and protect the lives and property of the PSHSS.

## 2.0 SCOPE

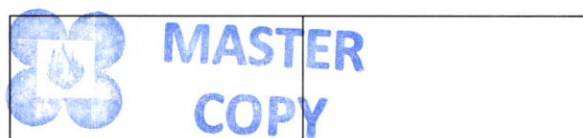

This applies to the detailing, scheduling and monitoring of security services in the PSHSS premises.

## 3.0 POLICIES

- 3.1 The Security Agency shall prepare the Security and Safety Plan to be implemented in the campus to ensure the safety and security of all PSHS personnel and guests. The plan shall be reviewed by the FAD Chief and approved by the Executive Director/Campus Director prior to execution.
- 3.2 The Security Agency has to undertake the jobs desired by the PSHSS in accordance with the terms and conditions stipulated in the contract.
- 3.3 Each campus shall establish policies and guidelines on the decorum, accountabilities and standards of Security Services.

## 4.0 PROCEDURES

| Responsibility | Activity                                                                                                                                                                                                                                                                                                                                                                                                                          |
