

VERSION NO. 2	MANUAL TITLE QUALITY MANUAL	DOCUMENT NO. QM 13.3
	DOCUMENT NAME CONTROL OF NONCONFORMING PRODUCT/SERVICE	REVISION NO. 1
		EFFECTIVITY DATE June 23, 2024
		PAGE NO. 1 of 4

1.0 OBJECTIVE

To provide guidelines and procedures in handling nonconforming products and services.

2.0 SCOPE

This procedure covers the activities in controlling nonconforming products or services related to the following:

- Error in grades
- Non-completion of topics for the course
- Expired items
- Damaged facilities/equipment
- Customer Complaints
- Inaccurate information in the documents

3.0 POLICIES

3.1 The personnel concerned shall accomplish and issue a Corrective Action Request (CAR) Form for nonconforming products or services following the procedure in QM 13.4 - Corrective Action.

3.2 Error in grades shall follow the procedure for the correction of grades.

3.3 Non-completion of topics for the course

3.3.1 Academic Unit Head concerned and/or Curriculum and Instruction Division (CID) Chief shall investigate the reason for the non-completion of topic for the course.

3.3.2 The result of the investigation may have an impact on the performance of the faculty if without any justifiable reason/s. This should be accounted during IPCR evaluation.

3.3.3 The faculty shall conduct make-up classes to catch up with the lessons that may have missed.

3.4 Expired Items and Damaged Facilities/Equipment

- 3.4.1 All expired items and damaged facilities/equipment shall be identified, contained, segregated, and stored in a designated area with proper identification or labeling for disposition by the management.
- 3.4.2 All items or facilities/equipment intercepted as expired and/or damaged upon receipt of the delivery shall be returned to the external provider.
- 3.4.3 Damaged Facilities due to mishandling shall have a corresponding Corrective Action Request (CAR) Form accomplished and issued by the personnel concerned for action and prevent recurrence.
- 3.4.4 Depending on the product type (e.g., chemicals, etc.), expired items shall be disposed of properly by dumping the products in accordance with local government regulations.
- 3.4.5 Damaged equipment shall be disposed of either by dumping, donation, or selling at a low price in accordance with government accounting and auditing rules.

3.5 Customer Complaints

- 3.5.1 Customer complaints shall be handled with utmost importance.
- 3.5.2 The result of the investigation shall be communicated with the customer, if need be, and in whatever form of communication (e.g., send letter, make a phone call, and/or personal visit to the customer's location).

3.6 Inaccurate information in the documents

- 3.6.1 Personnel concerned shall coordinate with customers regarding inconsistencies/inaccuracies in information before processing.
