3.0 POLICIES

- 3.1 Each year, the Philippine Science High School admits qualified scholars according to allotted slots per campus.
- 3.2 In cases where the number of students for incoming Grade 8, 9, and 10 students fall below the maximum because of various reasons, qualified students from a campus may request for transfer to another PSHS campus to fill the vacant slots.
- 3.3 Lateral admission may also be allowed for incoming Grades 8 and 9 on a case to case basis provided there is compliance with requirements set by the Board of Trustees.
- 3.4 In the process of admitting students to fill up vacant slots in a campus, requests for intercampus transfer is given priority over that of lateral admissions following these guidelines and criteria:
 - 3.4.1 BOT approved Guidelines on Intercampus Transfer
 - 3.4.1.1 Intercampus transfer will be allowed only for incoming Grade 8, 9 or 10 students. This will provide the scholar time to adjust to the new school environment and to ensure at least two years residency prior to graduation.
