

VERSION NO. 2	MANUAL TITLE STUDENT SERVICES MANUAL	DOCUMENT NO. SSM 7.5
	DOCUMENT NAME POLICY ON LEAVE OF ABSENCE DUE TO MEDICAL / MENTAL HEALTH REASONS	REVISION NO. 0
		EFFECTIVITY DATE NOVEMBER 9, 2020
		PAGE NO. 1 of 5

1.0 OBJECTIVES

- 1.1 Provide the student with the necessary period needed to medicate, rehabilitate and treat his/her condition without the stress and pressure of the academic environment.
- 1.2 Provide awareness for the student with the PSHS system policy and procedures on Mandatory Leave of Absence due to his/her medical or mental condition.
- 1.3 Compliance with the Mental Health Act (RA 11036) and Magna Carta for Disabled Persons (RA 7277).

2.0 SCOPE

This procedure covers guidelines on leave of absence due to medical or mental health condition.

3.0 POLICIES

- 3.1 The determination of whether a medical or mental health condition exists shall be based on the best available scientific and medical evidences.
- 3.2 Confidentiality: All information pertaining to medical or mental cases of the students shall be kept confidential within and among the responsible school units and officials (adviser, guidance counselor, parents, guardian, school physician, campus director, members of the management committee, members of the executive committee, members of the BOT, CID chief, SSD chief and subject teachers) who are part of this policy and its outlined processes. Sharing of information shall be based on the Data Privacy Act of 2012.
- 3.3 It is the responsibility and obligation of the Parents/Guardian to disclose to the PSHS any condition that may affect the academic performance and well-being of the scholar awardee.

3.4 The parents or guardian may apply for a Leave of Absence subject to the approval of the Board of Trustees and the existence of the following conditions:

3.4.1 The leave is highly justified and supported by pertinent documents.

3.4.2 The maximum duration of the leave is for one (1) academic/school year.

3.4.3 The student is not allowed to go to school during the period of Leave of Absence. She/he should have her/his own action plan.

3.5 The parents or guardian shall submit documents as may be required by the Campus Director in support of the scholar's return to school.

4.0 PROCEDURES

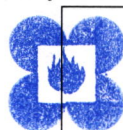

4.1 Disclosure of Mental Health Condition of the Scholar Awardee

Responsibility	Activity
Guidance and Counseling Unit	1. Interview with parents and student upon admission or when a noticeable medical or mental health condition is manifested by the student.

4.2 Mandatory Leave of Absence due to mental health condition

Responsibility	Activity
Adviser, or Guidance Counselor, or Parents, Guardian	1. Initiates a request or recommendation for a student to consult a medical professional due to a noticeable medical or mental condition of the student. If the adviser or guidance counselor recommends a medical/psychological check, the parent will have to consult a medical professional and shall furnish the school a copy within five (5) days from receipt of such results.

If the parent/guardian initiates the checkup of the

student, the student will have to furnish the school a copy of the medical/psychological professional's findings and recommendations.

Homeroom advisers/guidance counselors

2. Assists parents/guardian by forwarding the results of the consultation to the School Physician.

School Physician

3. Examines the medical documents and endorses the approval or disapproval to the Campus Director. For mental health issues, the recommending professional must be a licensed psychologist. For medical issues, a recommendation from a licensed physician or specialist will be required.

Campus Director

Receives the recommendation from the school physician based on the medical documents presented by the student.

MANCOM

4. Evaluates the merits of the request based on pertinent documents from the parents and recommendation of the School Physician and concerned personnel, as needed.

5. Recommends approval of leave of absence to the EXECOM.

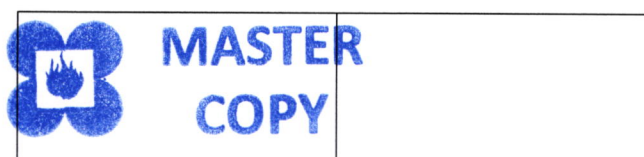

EXECOM

6. Deliberates and endorses to the Board of Trustees (BOT).

BOT
Campus Director

7. Deliberates and gives final decision.
8. If approved, cascades the BOT's decision to the CID Chief. The CID Chief calls for a case conference with the SSD Chief, School Physician/ Guidance Counselor, Subject Teachers and parent/guardian. Accommodations, expectations and limitations will be discussed.

If disapproved, the CID Chief returns the request to the Homeroom Adviser, who in turn informs the parent/guardian

SSD Chief

9. After the case conference, SSD Chief informs Registrar for documentation of Leave of Absence in the Student Records System

4.3. Application for Return from Leave of Absence

Responsibility	Activity
Parents or Guardian	1. Submits a letter of request (with medical/psychological clearance and progress report/evaluation from a specialist) to allow the student to return to campus.
CID Chief	2. Facilitates the case conference with parents, specialist (if possible), SSD Chief, Guidance Counselor, Homeroom Adviser, and Subject Teachers, if the student is physically/mentally fit. The Case conference centers on (1) informing the CID and SSD personnel on the differentiated instruction (adjustment of teaching load) and implementation of the recommended interventions/accommodations for the student; (2) clarifying the information to be disclosed or withheld from other stakeholders (e.g. other faculty and staff members; peers of the student); and discussing the ff. about the student; - clinical impressions/status - limitations/difficulties - medications (if any) - options for residence (if applicable) - recommended interventions/accommodations
Students and Parents/Guardian	3. Execute a re-entry agreement/contract with the school.
Guidance Counselor	4. Facilitates a small-group/individual counseling session with peers of the returning student on how they can provide support.
