## 1. OBJECTIVES

- 1.1. To prescribe a uniform policy and procedure when requesting for KID Services;
- 1.2. To ensure that KID's end-product is consistent and compliant with customer requirements, and at par with quality standards;
- 1.3. To ensure efficient use, allocation, and management of KID assets and equipment;

## 2. SCOPE

- 2.1. This process covers the following work/ service request(s) from delivery units in the PSHS System:
  - 2.1.1. Audio and Video Production and Editing;
  - 2.1.2. Training and Professional Development;
  - 2.1.3. Learning Management System;
  - 2.1.4. Data Analytics Support; and
  - 2.1.5. Other IS/ IT Technical Support
- 2.2. This process excludes the following work/ service requests:
  - 2.2.1. Work or services listed in the approved annual Projects/ Activities/ Programs (PAPs) of the PSHS System;
  - 2.2.2. Routine services or work inherent to KID's function

## 3. DEFINITION OF TERMS

- 3.1. **End-Product.** The final or resulting output (e.g. video, teaching and learning materials, website, etc.) produced by the KID as per customer request.
- 3.2. **Intellectual Property (IP).** Pertains to legally protected creations of the mind.
- 3.3. **Intellectual Property Rights (IPR).** Refers to the legal rights of creators for their original works, inventions, design, and so on.

- 3.4. Learning Management System or LMS.** Refers to the PSHS-Knowledge Hub or K-Hub. A complete software-based teaching and learning platform, and course administration.
- 3.5. Public Domain.** Creative materials that are not protected by intellectual property laws (e.g. royalty-free stock photos, videos, and audio,
- 3.6. Script.** Written dialogues for a video production.
- 3.7. Storyboard.** Pertains to a sequence of drawings with some directions and dialogues representing the planned shots for a video production.

#### 4. POLICIES

- 4.1. Request for work/ service will be assessed by the KID in the context of the urgency and relevance of the work/ service being requested, the functional responsibilities and organizational capabilities of the KID, and the project's economic and social feasibility
- 4.2. All requests for work/ service must be accompanied by a Project Proposal duly endorsed by the Campus Director for approval of the Executive Director through the KID. The Project Proposal must indicate the following information:
- 4.2.1. Name and Contact Details of Proponent
  - 4.2.2. Budget/ Funding Source
  - 4.2.3. General Description of Work/ Service, including but not limited to:
    - a) Project Goals and Objectives;
    - b) Scope of Work;
    - c) Project Requirements e.g. Manpower, Equipment, Software, Financial, etc.;
    - d) Timeline or Target Completion Date;
    - e) Target Audience;
    - f) Performance or Quality Metrics; and
    - g) Other relevant information.
- 4.3. The Project Proposal must contain as much detail as possible (e.g. pictures, diagram, flow chart, script, outline, storyboard, data source,

software requirement, etc.) The KID may request the proponent for additional documents/ information, if necessary.

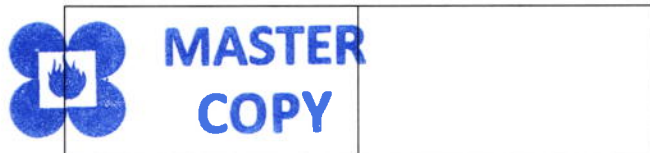

- 4.4. As part of KID's assessment of the Project Proposal, the KID may request permission from authorized school officials to conduct classroom observation, or 1-on-1 tutoring or consultation with the proponent in order to have a better understanding of the requirements of the project as well as enhance the project proposal itself.
- 4.5. No work/service shall proceed without the approval of the Executive Director.
- 4.6. Upon approval of the work/service request, the proponent of the project shall assist the KID in:
  - 4.6.1. Securing the necessary permit, waiver, consent, and other similar or applicable documents from concerned parties (e.g. Parents, Government Office, Actors, etc.);
  - 4.6.2. Conducting IPR search if applicable;
  - 4.6.3. Validating material's legal use; and
  - 4.6.4. Other related activities
- 4.7. Response to work/ service requests will be processed in accordance with the approved and required timeframes. In the event of possible delays in the delivery of work/ services, the KID shall immediately inform the Executive Director and the project proponent or requestor of the cause of the delay and alternative timeframe.
- 4.8. If an approved request cannot be fulfilled in a reasonable timeframe, or within the proposed budget or parameters identified after the work has begun, the KID shall immediately inform the Executive Director and the project proponent or requestor of the issue(s) and proposed action, if any.
- 4.9. All creative materials (e.g. photos, videos, prints, etc.) used in video production, training and professional development, and LMS must be

|                                                                                   |                                                                                                      | PAGE NO.<br>4 of 6                      |

free from copyright restrictions. The service requestor requesting the use or inclusion of certain media in the “*end-product*” shall secure the necessary waiver or authorization of its use from owners of such media. In the case of media sourced through public domain, the service requestor shall attest as to its source and classification before it can be used in production.

- 4.10. As a general principle, the ownership of IPs/ IPRs of “*end-products*” belongs to the PSHS System unless otherwise stated or formally expressed or covered by a separate agreement, in accordance with existing IP laws and PSHS System policy.
- 4.11. The KID shall strictly observe the following rules and regulations in its production, and reserves the right to reject all or any portion of materials submitted by requestor or any third party for inclusion in the end-product:
  - 4.11.1. Intellectual Property Rights;
  - 4.11.2. “*General Public License*,” “*Fair Use Policy*,” “*Creative Commons License*” and the likes for creative materials obtained in public domain and/ or open resources;
  - 4.11.3. Child Protection Law including but not limited to child's right to privacy; and
  - 4.11.4. Related issuances.
- 4.12. The use of Photographs and videos of minors is strictly prohibited without the appropriate consent and waiver from the child's parents or guardian;
- 4.13. Distributing, circulating, reproducing/ copying, storing in electronic devices, or publishing any portions of the end-product(s), including all pre-production materials (e.g. storyboard, edited or unedited video clips/ photos, still or screenshots of content, etc.) without proper authorization is strictly prohibited;
- 4.14. The KID may engage or enter into contract with individuals as consultant/ resource person, professional service contractors, learning service providers or teachers, highly technical administrative or support staff to
